Hi Stuart, we are still working with our web team to update the EPA website.

Please use this new version of the public notice when the website is updated. The date was changed from July 1 to July 20, 2015 in the attached public notice.

Tom will call you later this morning to discuss the letter and other coordination details.

Thanks,

**Subject:** Red Hill Comment Period Extension Letter

Hi Stuart,

Attached is the signed letter by Tom granting the request for an extension to the public comment period. Comment Period will end on July 20, 2015. Let's coordinate together before sending out as both agencies need to update our websites to reflect the conclusion of the comment period as July 20. Please sign and date and send the PDF back to us once dated.

Thanks,
